

Brian Bartkowick group
Black Subaru

Hi! your car didn't have hardly
any oil in it at Indian creek so we
put Brian's $\frac{1}{2}$ qt in and got 3 quarts
from the bridge crew. ~~The~~ The big rock
you parked on made the bottom door
bumper fall off when we locked
out. I put it in Brian's
Subaru. your car drives
great though, thanks for
the shuttle.

Thanks!
Kare
