SAVE THE DATE

FOR AN OUTING

SATURDAY JAN 16TH

The January outing will involve a short road trip to Revelstoke. The focus for this outing will be to visit the Revelstoke Railway Museum. This museum tells the fascinating story of the Canadian Pacific Railway in the mountainous terrain surrounding Revelstoke.

There are many displays and railcars that will present lots of photo opportunities. While in Revelstoke we will visit its downtown and capture images of some of the historic buildings in this small mountain town. Included will be a visit to the Revelstoke Courthouse, built between 1911 and 1913 in the Neoclassical Revival style.

Here are the outing details:

Date – Saturday, January 16, 2027

Location – To enable carpooling, we will meet at the Village Green Mall, in the SE corner of the parking lot, behind the Esso Gas Station

Time – We will meet at the Village Green Mall (as described above) at 9:00 AM

Cost – The discounted group rate for admission to the Revelstoke Railway Museum is $10 per person.

Lunch – We will be stopping for lunch in downtown Revelstoke following our visit to the Railway Museum.

Accessibility – There will be some walking on level surfaces at the Railway Museum and around Revelstoke itself.

What To Bring –

Revelstoke is renowned for its winter snowfalls so you should wear sturdy winter footwear. Removable ice grips should be brought if there are concerns about slipping on icy surfaces. Dress warmly! Bring along a selection or lenses – a wide-angle would be good for shooting the historical buildings and the railcars. Don't forget to bring along extra charged batteries.
