Road trip Outing June 7-11th

Starting on Vancouver Island

Are you up for a West Coast adventure in the spring of 2027?

If you are, we have an outing planned for you! In June we will travel the Pacific Marine Circle Route, starting in the Sooke area (near Victoria), travelling up the southwest coast of Vancouver Island to Port Renfrew and ending at Cowichan Bay. Along the way will visit a lighthouse, beaches, tidal pools, waterfalls, rain forests and even the famous Fairy Lake tree.
