Personal Statement

I am writing to express my strong interest in serving as the Parent Representative on the Panama City Advance School Board. As a dedicated parent of four children currently attending at PCAS, I am deeply invested in the success, safety, and well-being of all students in our community. I am eager to bring a constructive, collaborative, and representative parent perspective to the board's decision-making process.

Over the last 2 years, I have actively engaged with our school board. This experience has given me firsthand insight into the daily realities, and challenges that our students, teachers, and families face.

If selected as your Parent Representative, my priorities will focus on three key areas:

- **Amplifying Parent Voices:** I will act as an accessible, open-minded bridge between families and administration, ensuring that parent feedback is heard and valued.
- **Supporting Student Well-Being:** I will advocate for resources that promote academic growth ensuring a safe and inclusive environment where every child can thrive.

Thank you for your time, consideration, and dedication to our schools. I look forward to the opportunity to contribute to the continued growth and success of our district.

Sincerely,

Yahia Abdulrahim
