Little League Approved

Reduce the risk of injury!

*Originally designed and patented as the Megg-Net Super Base by Riley Manufacturing (Riley-Megg's Industries.)*

*All other Magnetic Bases are just copies!*

**MAGBASE** bases, when installed with the magnetic anchors, are designed to disengage on impact from an improper or fast slide, thus preventing severe injury in most cases.

### THE MAGNETIC SAFETY FEATURE

- Reduces the risk of injury
- Break force can be varied for 3 levels
- 12 months warranty on magnetic fixture
- Ultra durable, rubber moulded single and double bases
- Ribbed design on single bases prevents slipping
- Simple drop-in style reduces maintenance and stoppage of play

The Megg-Net Super Base system with or without the magnetic fixtures is easily installed. Simply dig hole, set fixture and backfill. No concrete necessary.

**IMPORTANT NOTE:** Baseball and softball are contact sports and injury can result from incorrect slides into any type of base.
