

HAVE YOU SEEN THIS?

A team of expert doctors, lawyers, and scientists have put together a simple, but powerful presentation, outlining the alarming risks that mRNA jabs pose for children and teens.

They've done it for you, for free.
It's a **MUST SEE** for every parent!

News reporters, **Google**, **FACEBOOK**, **YouTube**, Wikipedia, etc, have become pharmaceutical sock puppets. Please listen to these experts, and to the families of those who now have injured/deceased loved ones.

It's not informed consent, if we are not informed...

In 1976, the USA STOPPED the Swine Flu vaccine because of 25 deaths and 362 injuries.

With that in mind, consider these COVID jab death/injury reports, as of January 2023.

WHO decides what *you* see?

Europe: Over 46,618 deaths and 4,682,268 injuries.

USA: 33,591 deaths and 1,449,447 injuries.

Australia: 959 deaths and 137,141 injuries.

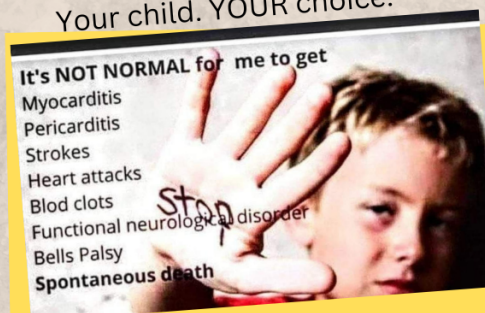

Doctors have been silenced*

Please go to www.covidvaccinedeaths.org to find links to the official government injury/death reporting systems, and verify these FACTS for yourself. Also visit the page *deadly doses* to see why some people are injured immediately, while others seem fine.

Sadly, any voice that questions the W.H.O is being censored and can face prosecution*.
