About Us

PCR Nursery was established with an aim to produce a wide variety of high quality pot plants and young plants in large volumes to cater to both domestic as well as international markets.

With a portfolio of over 550 varieties of plants, and a 300 acre state-of-the-art growing facility and technology, PCR Nursery is amongst India's largest growers of pot plants and young plants.

Our collection of ornamental plants include:

- 1) Flowering Plants
- 2) Foilage Plants
- 3) Succulents and Cactus
- 4) Sansevieria

NOTE : This catalogue consists of an extensive but not exhaustive list of products. Please contact us for more information and other varieties.

Disclaimer:

* The images in this catalogue/brochure are for representation purpose only. Actual plant and/or pot may defer depending on factors such as plant age, number of plants per pot, pot size, colour & availability, changes in growing SOP and numerous other factors.

* All plants are provided in grower series pots.

* Plants are natural products and like everything in mother nature, each plant is unique and needs time to grow while some plants are seasonal. Availability will change from time to time.
