

International Tankard celebrates volunteers

The International Tankard is a bonspiel that brings together volunteers from curling clubs in BC Region 11 and the western United States. It is held annually at the end of the curling season to recognize exceptional volunteers for their generous commitment of time and energy to their home club.

In March 1980, Peace Arch Curling Club hosted the International Tankard. Twenty-four Canadian curlers, representing 24 clubs, played against 24 visiting curlers from curling clubs in Washington and Oregon. Jim McNeil was the Peace Arch Curling Club representative in the bonspiel that was chaired by Ralph Miller.

Colour party was composed of the 1979 BC Juvenile champions from Peace Arch Curling Club. Check out the ashtrays on the ice.

Through the years, many Peace Arch volunteers have represented our club at the International Tankard. We thank them all; without their countless volunteer hours, we would not be here today enjoying friendship and curling.
