## INTRODUCTION

At Latvian Connection General Trading and Construction LC LLC, being a dynamic group of professionals, promoting trade between United States, Kuwait, and Latvia, is a limited liability corporation formed in California, that has brought us together.

We've made strategic alliances, and built up our position in fast-growing and high-potential industries. As a group, we've made real progress in making extensive portfolio changes and in carrying out the diversification we aim for.

## SUB-CONTRACTORS AND SUPPLIERS

Latvian Connection General Trading and Construction LLC maintains a database of potential subcontractors and vendors to assist us in our performance of government projects. Based on our experience performing large, complex ID/IQ contracts, we are accustomed to careful selection of subcontractors.

Latvian Connection General Trading and Construction LLC provides subcontractor services to other companies which gives us significant experience and perspective when dealing with our own subcontractors. Latvian Connections pre-qualifies all our subcontractors to determine their areas of expertise, level of experience, bonding capacity, type of business, and overall ability to accomplish the work.

## CORPORATE SPONSORSHIP
