

RAISE THE BARRE DANCE ACADEMY NEWS LETTER

JANUARY 2023

WELCOME!

Hello, we are so excited to be back in the dance room after a restful(ish) break! This session will be a busy one as we prepare for our Spring Recital at the end of the session. Each month we will send home a newsletter quickly explaining what your dancer is working on in class and what to expect in the upcoming month. This information will also be available on our website.

January Theme:

UNIQUE AS A SNOWFLAKE

Just like snowflakes, we are all unique and different. During class this week we will be discussing what makes us unique and how our differences can change the world! Using specifically designed activities and games we will be working on building our confidence and encouraging others. At home this month, encourage your dancer to acknowledge and embrace their uniqueness and use those differences to help others.
