**TALIZE UNVEILS THRILLING NEW VENTURE IN OSHAWA  
PACKED WITH SAVINGS AND SUSTAINABILITY**

As spring breathes new life into Oshawa, the city's landscape is dotted with innovation, and leading the charge is the eagerly awaited arrival of Talize, a proudly Canadian thrift store set to revolutionize the local shopping scene.

Nestled in the heart of downtown at 1300 King Street East, Talize's grand opening on April 25th, 2024, marks the culmination of months of meticulous planning and preparation. And what a grand opening it promises to be! The festivities kick off with a bang, as Talize welcomes the

first 50 customers each day of opening week with an exclusive 50% off discount card, ready to be used on the same day. But that's not all – every transaction comes with a complimentary reusable bag, ensuring that your shopping experience is as eco-friendly as it is thrilling. There will also be a limited quantity of loot bags for the little ones, which will add an extra dash of excitement to the occasion. Plus, as a special grand opening bonus, every purchase, regardless of size, earns you a generous 30% coupon to sweeten the deal.

Talize's expansion into Oshawa is a testament to its growing success, with 2 locations in British Columbia, 12 locations already thriving in Ontario and plans for two more—including the exciting addition in Oshawa—and another in Windsor, Ontario.

In these challenging economic times, discerning shoppers seek more than just bargains—they crave quality and selection, and Talize delivers on all fronts. Since its inception in 2005, Talize has been a trailblazer in promoting sus-

tainability, offering top-notch goods at unbeatable prices, and championing a circular economy that keeps tons of items out of landfills.

Stepping into Talize, shoppers are greeted with a treasure trove of high-quality gently used clothing, shoes, electronics, home décor, and more—all at prices that defy belief. Students and seniors are also treated to a generous 10% discount on every purchase they make, making their shopping experience even more delightful! Beyond the savings, every purchase at Talize is a vote for a greener future. By diverting millions of items from landfills and preserving hundreds of tons of carbon and water, Talize is committed to creating a more sustainable world, one purchase at a time.

Moreover, Talize goes above and beyond by running full-service donation centers at every store location, encouraging customers to recycle their gently used items in exchange for additional savings—a win-win for both shoppers and the planet.

As Talize opens its doors in Oshawa, it invites everyone to join the movement towards thrift, sustainability, and community engagement. With a friendly team dedicated to

providing an unforgettable shopping experience, Talize promises to leave every customer with a smile on their face and something special to adorn their homes.

So, as the excitement builds and anticipation reaches fever

pitch, Oshawa braces itself for a thrilling new chapter in retail. Talize isn't just a store; it's a destination—a beacon of hope, sustainability, and unbeatable savings. Come, experience the difference, and be a part of something truly extraordinary.

**NO FIREWORKS AFTER 11PM**

Ajax Fire and Emergency Services (AFES) is reminding Durham residents of firework safety tips.

AFES said fireworks are inherently dangerous. Ajax residents that choose to set off fireworks must ensure they follow the by-law. General prohibitions include, but are not limited to:

No person shall set off any consumer fireworks within the corporate limits of the town except on the statutory or cultural holidays known as the Lunar New Year, Eid al Fitr, Victoria Day, Canada Day and Diwali the one day immediately preceding and following each of those days.

On the above-mentioned statutory or cultural holidays, no person shall set off any consumer fireworks within the town after 11 pm or before 11 am.

No person shall set off any consumer fireworks on any public street or roadway within the corporate limits of the town, at any time.

No person shall set off consumer fireworks on any land of which they are not the registered owner, without obtaining the prior written permis-

ion of the registered owner to do so.

"Fireworks are extremely dangerous and should be left to trained professionals. This recommendation is made to minimize the risk of fire and

burn injuries that can result from the misuse of fireworks," said Shelley Langer, Ajax Fire Prevention Inspector.

Ajax Fire and Emergency Services personnel have the following safety tips for resi-

dents who do choose to take part in informal fireworks displays:

Keep fireworks in a cool, dry, ventilated place and out of reach from children.

We publish every Monday.

At The Oshawa Central Newspaper we understand the growing public concern for the environment. We do our part by forecasting the demand of the papers published, based on our sales performance records. By forecasting the quantities we are able to determine the amount required to publish. This way we eliminate recycling and assure that everyone that receives a copy will want one to read. Any Newspapers that are not sold are delivered throughout the City on a promotional basis. In most cases the free papers will be a day or two old. If you want Oshawa's Number One Newspaper delivered to your door on time every Tuesday do your part and subscribe today, like the many of your neighbors. If you like to pick up a copy. They are available in most local stores.
