WELCOME SKYE'S CLOTHING

From all of us at the Oshawa/Durham Central we welcome Skye's Clothing to the INGINO Downtown Initiative program. SKYE'S CLOTHING is conveniently located in the heart of downtown Oshawa at 16 King Street, East. Dave Tunstead and his wife Sandra offer a one stop shopping for women designer clothing and accessories. Don't let the designers name fool you. Their prices are very affordable. Open since 2009, SKYE'S CLOTHING has come a long way from a one store operation out of Ajax. Now with two stores. One in Oshawa the other in Cobourg. Skye's Clothing is the place to shop for all your women clothing and accessories. From all of us here at the Central Newspaper we wish you great success. SKYE'S CLOTHING has the endorsement of the INGINO initiative as a reputable and distinguished downtown business.

ENBRIDGE GAS DISTRIBUTION ("ENBRIDGE") IS ADVISING CUSTOMERS OF A TEXT MESSAGING SCAM.

Previously, variations of this scam have also circulated through email.

The text scam advises that a 'refund' or 'rebate' has been processed and asks the recipient to click a link to complete an INTER-AC e-transfer. Enbridge does not communicate with its customers by text message. Refunds are generally processed either directly on the bill or via cheque. Email transfers are available, but only at the customer's request.

Customers should:
 Not click on any links
 Not share any personal or account information
 Report suspicious activity to the Canadian Anti-Fraud Centre at 1-888-495-8501
 Email the Ombudsman at Enbridge Gas at ombudsman@enbridge.com

About Enbridge Gas Distribution
 Enbridge Gas Distribution Inc. has a 170-year history and is Canada's largest natural gas distribution company. It is owned by Enbridge Inc., a Canadian-based leader in energy transportation and distribution, and has ranked as one of the Global 100 Most Sustainable Corporations for the past eight years. Enbridge Gas Distribution distributes natural gas to over two million customers in Ontario. For more information, visit enbridgegas.com Follow us on Instagram and Twitter @EnbridgeG

Celebrate Canada Water Week!

Whitby, Ontario – The Regional Municipality of Durham, Works Department is lighting our Regional Headquarters in blue all week to celebrate Canada Water Week (March 18 to 24) and World Water Day (March 22). In recognition of Canada Water Week, Durham Region has proclaimed March 18 to 24 as Water Week to remind residents about the value of water. "Durham Region is home to some of the best tap water in the world," says John Presta, Director of Environmental Services. "Canada Water Week and World Water Day provide an important reminder on how fortunate we are to have a clean, secure supply of drinking water."

are not funded by property taxes. Investing in our infrastructure and water conservation efforts are important to protect this vital and limited resource. Water conservation also helps extend the life of Durham's municipal water infrastructure. For easy-to-follow water conservation tips around the home, residents are urged to check out the Be Water Smart video series at durham.ca/WaterEfficiency. International World Water Day is an annual event that began in 1993, in which the world comes together to focus on the importance of fresh water and the sustainable management of water resources. For more information, visit www.unwater.org.

Safe drinking water is a limited resource and as a result, municipal drinking water in Durham Region is regulated for both quality and quantity. Residents need to help protect this valuable environmental resource for the coming generations with effective water management today. To celebrate the quality of Durham's water supply and illustrate dedication to ensuring industry-leading treatment of wastewater, the Region has created a new video series for residents. Our very own Water Champions at Duffin Creek Water Pollution Control Plant explain how the plant performs and why they are proud to work there. Ensuring a clean, safe supply of water is complicated and costly. Municipal water and sanitary sewer services are paid for by user rates; they

Municipal Solutions
