COMING TO 'MUSCLECITY'
 September 15th, 2018
 Regent Theatre Oshawa

Remo Romano is one of the many athletes performing at Muscleocity.

Born in Oshawa, Ontario on September 27, 1971, Remo is the younger of two children. He currently resides in Oshawa where he is married with five children and works professionally in emergency services.

At the age of 18, Remo started weight training as a hobby. Soon after, he embraced the sport with great passion and focus - pushing his body, building strength and increasing his physical profile. Naturally he was drawn to high school football and rugby where he could draw on his size and vigour. His first Bodybuilding Championship competition was in 1996 placing second place in the heavyweight category (Scott Milne, first place).

After taking some time off competing to grow his family and career, Remo craved being on stage. Motivated, he trained intensely and went on pursuit, competing at the following bodybuilding championships:

March 2016. Regional Show (Toronto Championship). Took home first place in Superheavyweight, first place in the Masters and first place Overall. (Stage weight: 244lbs)

June 2016. Provincials (Toronto Pro Show). Took home third place in Masters and sixth place in Superheavyweight. (Stage weight: 235lbs)

July 2017. Edmonton Nationals (CBBF). Took home fifth place in Masters Heavyweight. (Stage weight: 245lbs)

Year-round, Remo trains at Platinum Family Fitness in Whitby six days a week. He enjoys morning cardio and afternoon weights. His offseason weight is around 280lbs and stands at a height of 5' 11". During contest preparation, Remo commits himself to morning cardio as well as evening cardio and weights. His diet personalized by Physique Transformation Coach, Jason Green of TeamGreenPhysiques, consists of six clean nutrient dense meals per day consisting of mostly meats and vegetables.
