We publish every Monday.

At The Oshawa Central Newspaper we understand the growing public concern for the environment. We do our part by forecasting the demand of the papers published, based on our sales performance records. By forecasting the quantities we are able to determine the amount required to publish. This way we eliminate recycling and assure that everyone that receives a copy will want one to read. Any Newspapers that are not sold are delivered throughout the City on a promotional basis. In most cases the free papers will be a day or two old. If you want Oshawa's Number One Newspaper delivered to your door on time every Monday do your part and subscribe today, like the many of your neighbors. If you like to pick up a copy.
