**CLOTHING DESIGNED FOR THOSE WHO ARE RELENTLESS IN THE PURSUIT OF THEIR BEST SELF
WE BELIEVE IN PROVIDING A LINE OF ACTIVE AND LEISURE WEAR
THAT REPRESENTS WHO YOU ARE IN YOUR DNA - RAW AND TOUGH**

Further describing RATWEAR and how it originated we have to learn more about its co-owners, Lise Thexton and her husband Darryl Burke.

Both have been active in physical fitness their entire lives. Lise played an array of sports growing up such as competitive soccer and rugby.

Darryl thrived on competitive hockey. Eventually both found their love for Bodybuilding and Fitness and the nutritional aspects that comes with it making it a lifestyle choice as they grew into their late teens. 25-30 years later respectively they still follow that lifestyle.

Lise competed in her first fitness competition in 2005 and was hooked from day 1. Continuing to improve she competed in different organizations and different categories along the way. When the Women's Physique category was created in 2012 she made the switch and through the qualifying tier system she earned her coveted IFBB Pro status at the CBBF Canadian Nationals in 2013. Since turning professional, Lise has competed 7 times in the IFBB league and placed in the top 10 in every show with two 2nd Place finishes (Optimum Classic Pro Shreveport Louisiana 2015; IFBB Toronto Pro 2016). She has competed

in an astonishing upwards of 30 shows.

Darryl competed in his first Bodybuilding show in 2006 at the age of 36. To date Darryl has competed in 9 shows and currently preparing for his 10th at the CPA Canadian Pro Qualifier on October 20 2018 at the ripe age of 47. In 2016 Darryl competed at the CBBF Canadian Nationals in the Men's Masters Bodybuilding category and placed 5th. In 2017 Darryl made the switch to the newly formed Classic Physique category and placed 4th at the then called Ontario Provincial Championships, qualifying him for the National Level in this category as well.

Lise and Darryl have been busy raising a family, working full time careers, competing in bodybuilding shows, running an online fitness training business, and as of October 2017 officially launched their online clothing company RATWEAR.

The concept behind RATWEAR is to share their passion for the healthy lifestyle combined with their love of the gym and working out, hence the true "gymrat".

Darryl and Lise stand behind the quality clothing of RATWEAR bringing an old school retro feel but designed for the new era.

GUNPOINT ARREST IN PORT PERRY

A Scugog man is in custody after allegedly pointing a firearm at the head of another male during a disturbance in Port Perry. On Thursday August 16, 2018, at approximately 2:20 p.m., North Division officers were called to a residence on Simcoe Street near Scugog Street in Port Perry. During an argument with another male, the suspect pulled out a handgun and pointed it at the victim's head.

In a few minutes, officers arrived and arrested the 27-year-old male at gunpoint. They located a replica handgun loaded with blank rounds. The male was handcuffed and transported to the cells in North Division, where he began hitting his head against the wall. When officers tried to move him to a safer location, he began kicking, biting and trying to head-butt officers.

He was eventually taken to Uxbridge Cottage Hospital by ambulance for treatment and a mental health assessment. He will be charged with: Pointing a Firearm; Weapons Dangerous; Assault with a Weapon; Uttering Threats; Fail to Comply with Recognizance and Fail to Comply with Probation.
