

Visitors to Mt Paektu

There is an endless stream of visitors to Mt Paektu (2 750m), which stands imposingly in the northernmost part of the Democratic People's Republic of Korea. The visitors are filled with the faith and will to follow the road of socialism to the end by learning the spirit of the forerunners associated with Paektu, the sacred mountain of the Korean revolution.

Cultured Mountain City of the DPRK

The photos above show parts of the city of Samjiyon in the northern part of the Democratic People's Republic of Korea.

The model cultured mountain city situated in the area which is 1 300 metres above sea level on average, gives a glimpse into the level of civilization which the Korean people aspire after and are creating.
