Most Esteemed Your Excellency,

Having successfully held a Zoom meeting on "The immortal exploits of the Great Leader Comrade Kim Jong Il" on the occasion of his 10th death anniversary, We all the participants of the meeting respectfully present this letter to you.

The Great Leader comrade Kim Jong Il passed away unexpectedly, 10 years ago on the 17th December, 2011, we all the participants of the Zoom meeting organised by the ARIJI recall with great pride his immortal exploits which covered all fields and all aspects of life.

General Secretary Kim Jong Il was a leader of the extraordinary ability and fortitude who successfully led the Korean revolution for a period of more than five decades. He was best known to the world people as the great defender of socialism and independence who developed the Juche idea and the Songun Idea. Indeed his name is intimately associated with the administration of the Songun politics. Due to his Songun politics, DPRK has become a strong self-reliant military and nuclear power which is fully capable of defending its sovereignty and meet any threat from the imperialists.

General Secretary Kim Jong Il also developed the WPK into an ideologically integrated whole with mass foundation and which achieved the single hearted unity of the leader, party and the people and turned the entire society into a large harmonious socialist family free from exploitation, oppression and foreign dominations.

Your Excellency, we cherish the memories of our most respected leader Kim Jong Il who will always remain in our hearts.

Your Excellency, you by upholding aloft the people first principle led the WPK as a motherly Party to serve the people selflessly with single minded unity. Today the Korean people under your dynamic leadership are working hard to implement the behests of President Kim II Sung and General Secretary Comrade Kim Jong Il and model the whole society on the basis of Kimilsungism-Kimjongilism.

We feel proud to support your Excellency in all your laudable efforts to build a self-reliant, prosperous and powerful Juche socialist Country.

We also take this opportunity to wish you long, happy and healthy life
