

## **The DPRK's Military Capability and a Military Parade**

On July 27, 1953, the DPRK honourably defended its independence and freedom by repulsing the armed invasion by the US-led imperialist allied forces. The military parade held in celebration of the 70<sup>th</sup> anniversary of victory in the Korean war (1950-1953) demonstrated the power of justice and inexhaustible military capability of the country.

## **Demonstration Flight by Drones in the Military Parade**

On July 27, Juche 112 (2023), a military parade was held in Pyongyang, the capital city of the Democratic People's Republic of Korea, in celebration of the 70<sup>th</sup> anniversary of victory in the Korean war. The newly-developed strategic reconnaissance drone and multi-purpose attack drone, which would be supplied to the Air Force of the Korean People's Army, made a demonstration flight, circling the square where the parade would be held.

Drones make a demonstration flight over the square.
