

Vote of thanks

Namaste and Good Afternoon to respected Prof. Dr. Harish Gupta, Chairperson of to-day's Zoom meeting, our most valued invited guests, ARIJI - Directors, ladies and gentlemen!

On behalf of ARIJI, the organizer of to-days Zoom meeting and my own, it is my privilege to propose a vote of thanks and acknowledge the contribution of those who worked really hard to make this Zoom Meeting successful. All the speeches delivered to-day are well prepared and very much inspiring.

For the past 41years the ARIJI has played a vanguard role in the study and dissemination of the great Juche idea. The ARIJI has striven to apply the Juche idea in Asia and contribute to building a new society of independence free from exploitation, oppression and domination.

With notable foresight and extraordinary political ability, great leader **KIM JONG IL** recognized that only defense centered politics and army first leadership would allow the country to defend itself and its peoples' dignity against the violent challenges of the imperialists and to secure a prosperous future. Leader **KIM JONG IL** ultimately developed unique army first politics, which is unique in its organic combination of both military and political affairs. The evidence is that the Workers' Party of Korea and the Korean people's Army are firmly united under the wise leadership of Marshal **KIM JONG UN**, the true successor of the Korean revolution for its final victory. This is all what you will see in modern Korea changing beyond recognition under the continuation of Juche idea and Songun - based leadership by Marshal **KIM JONG UN**. All of them are based on the consistent application of the Juche idea founded by President **KIM IL SUNG** amidst the struggle of the Korean people to expel Japanese imperialism from their homeland.

I would like to express the deep thanks to all the speakers and participants that extend an active support and solidarity to the Korean people in their just struggle to achieve independent and peaceful reunification of Korea, permanent peace in Korean peninsula and to build a strong and prosperous socialist nation in the world, at the same time, to all comrades and the friends present here.
