ABOUT KC PROTECTIVE SERVICES LLC.

KC Protective Services LLC is a veteran owned and operated small business comprised of highly trained and experienced operators and military veterans. We are an adaptable and results-driven team of emergency management and security professionals with significant domestic and international experience in large-scale disaster relief and security operations who have executed countless combat and non-combat missions. We utilize strong, pro-active communication skills to build working relationships in order to achieve actionable mission results. We facilitate rapid and residual success by implementing sound resource management that maximizes operational readiness and reduces vulnerability to hazards, assisting clients to exceed their projected goals in the most efficient manner imaginable.
