EXALTED RULER'S MESSAGE

Welcome to a brand new Elks year. I am very excited to be the Exalted Ruler for Northglenn Elks #2438 for the next year. If I appear to be very scared and nervous, it's because I am. I am really excited about all of the up and coming events and activities that are in store for this year. We have a ritual clinic scheduled here at our Lodge on the 15th and 16th of this month. I encourage all of you to get involved with ritual to get the true meaning of what it means to be an Elk and to get a better understanding of the groundwork that our forefathers laid for us. Plus, we look forward to you supporting and cheering our ritual team onto victory. We also have our bowler's tournament on the weekends of the 15th and 22nd with some great food and entertainment. We end this month with our quarterly meeting in Lone Tree. Many of you have already missed the deadline to register, but don't let that stop you from attending, as you can register there. My suggestion is to attend the breakout sessions (informative classes) on Saturday to get a real understanding of business practices, drug awareness, youth activities, Clem and Evelyn Audin Fund, Laradon Hall, ENF, and lots of other stuff. As you can see we are starting off very active and busy and hopefully will continue this pace throughout the year.

Sincerely, Arlan Sauer | Exalted Ruler

Elk of the Month

The selection for Elk of the Month for April is someone that has been active within the Lodge for many years. He has been active as a PER helping where needed for Lodge or Club events and activities. He has served several years on the Veterans committee carrying the torch and being a part of many of the activities we do today. He has filled in as Esquire for the Lodge meetings for much of the past year. The thing he is probably most well known for is his part in the Christmas Basket program that we deliver each December. If you have not already guessed, please join me in Congratulating **Bobby Heller** as our selection for Elk of the Month. Bobby, thank you for all that you do!

Sincerely,
Kim Gremling | Leading Knight

Volunteer Of the Month

The Volunteer of the Month for April is a person that has been working behind the scenes and the selection for this month is one of those people that we would like to give a shout out to. She has worked with the Christmas baskets and if you saw the hat and mitten tree, you would be impressed to learn that most of them were made by her. She works on them throughout the year. Congratulations to **Trudy Forbes** as our selection for Volunteer of the Month. Thank you so much Trudy for all of your hard work.

Sincerely,
Archie Stark | Loyal Knight

Did you Know...

The Exalted Ruler's (ER's) Mascot has been a tradition here at Northglenn for over 30 years. While this is not something most other Lodges do, it is an interactive way to add some fun to the busy life of the Exalted Ruler (ER).

The way it works is that the Officers secretly meet to come up with a mascot that best fits the character of the incoming ER. Once the mascot is agreed upon, it is presented to the incoming ER at the Inaugural Ball Banquet dinner after his installation. This mascot will be with the ER throughout the year and will stay with them throughout their years as a PER. Some of the things that the mascot will be involved in include a kidnapping to raise money for ENF or other charities. It will accompany the ER to Quarterly's, the State Convention and even the National Convention. It will attend parties and activities at the Lodge and will become part of the ER's personality. Some events can and will carry the theme of the mascot and some mascots have even had an article in the Banner. The incoming ER (Arlan Sauer) will be presented with his mascot on April 1st after the installation. We invite you to be here to share in this Northglenn tradition.

Bathroom Renovation Team

I just wanted to take a little corner of our banner to put out a **Very Large Thank You** to all those that helped remodel the men's and women's bathrooms in our Lodge. It was wonderful seeing people just show up to help. It reinforced in my mind that there are people in our Lodge that are more than willing to step up and help improve our Lodge. The variety of talents that were shown to me were amazing to say the least. I would love to list the names of everybody who helped, but there are too many. Thanks again. Paul Schmeisser, PER

How the Elks Began

The moving spirit for the Elks was an Englishman named Charles Algernon Sidney Vivian. Born October 22, 1842, this son of a clergyman was a successful comic singer and dancer in the music halls of London. In November 1867, Vivian arrived in New York City to try his fortune.

Charles Algernon Sidney Vivian

Other actors and entertainers soon gravitated toward his magnetic personality. With everything closed on Sunday because of New York City Blue Laws, a group of theatrical people began meeting for their own amusement under Vivian's leadership. A loose organization was formed to make sure the larder was well-stocked for these gatherings. They called themselves the **Jolly Corks**, a name derived from a trick introduced by Vivian in which the uninitiated purchased a round of refreshments.

When one of their members died shortly before Christmas in 1867, leaving his wife and children destitute, the Jolly Corks decided that in addition to good fellowship, they needed a more enduring organization to serve those in need.

On February 16, 1868, they established the Benevolent and Protective Order of Elks and elected Vivian to head it. Its social activities and benefit performances increased the popularity of the new Order. Membership grew rapidly. Elks traveling to other cities spread the word of the Brotherhood of Elks. Soon there were requests for Elks Lodges in cities other than New York. In response to these appeals, the Elks asked the New York State legislature for a charter authorizing the establishment of a Grand Lodge with the power to establish local Lodges anywhere in the United States. When the Grand Lodge Charter was issued, the founders then received the first local charter as New York Lodge No. 1 on March 10, 1871.
