**Notice: Verado low RPM gear drive noise is much louder than most due to gear style. This is normal.**

Warranty on product/services- 6 months - Warranty nullified if not fully assembled by Stiegemeier Porting Services.

If it's a mechanical issue, we cover it. **If it's an overheating issue, we do not cover it under warranty.** Recommendation: 2005-2014 – Update to our liquid cooled version for WOT continuous running.

All warranty work is at the sole discretion of Robert Stiegemeier, Owner/Operator of Stiegemeier Porting Services, LLC. I value all my Verado customers and promise fair evaluations.
