CARRIED

Old Business:

- a) **Coaching courses** Plans for fall courses at member clubs: CR, MI – none planned, CV – Active Start Sept 6, Fundamentals Sept 8, Learn to Train Oct 4, 5, 7. All welcome.
- b) **Dealing with Interclub transfers in UISA** – OYSS proposal – Will table until we see if new software at UISA can do this with an online form.

New Business:

- a) **Executive and General Meeting Dates** – see list below.
- b) **Provincials 2019 results-** see Appendix 1
- c) **Rules recommendation for UISA clubs – Kevin C** We have had an incident of last year's coach trying to move last year's team from their home club in the district. BC Soccer advises that once the season is done, coaches are also done and are no longer representatives of that team- they are parents. It is recommended that clubs have in their rules and/or coach selection information a statement that coaches are selected year-by-year, season-by-season.

- d) **UISA website club contact updates** – Club contacts on the UISA website have been updated **Action:** all club contacts (usually President and Administrator) should test their email form and let Christine know if there are any issues
- e) **New sports management software for UISA league and VIPL** – schedules and team info will now be managed in the existing UISA website with a new sport management software package. See Appendix 2 and 3 for a preview of the team selection page, which then leads to individual pages with schedules, team staff and additional info for each team.
- f) **BC Soccer report** Don has a new contact email (goes with retirement!) – dmoslin@gmail.com. BC Soccer AGM coming up Nov 1-3. Expect workshops on the 3rd, including technical workshop. AGM on Sat will include awards presentation. Associate Membership committee has been tasked to reach out to all areas of the Province to consult on changing membership structure. UISA has shared all info to date with our clubs, and sent feedback in to BC Soccer on this. Encourage all clubs to progress with club charter. Provincials 2020 - A cup South Surrey July 2-5, B-cup boys Kamloops July 2-5, B-cup girls July 9-12 in Vernon. Clubs encouraged to apply for grants. Soccer development committee to reach out to clubs and districts to gather successes with player retention.

Administrator/Scheduler's Report: 1) Laminated pocket concussion recognition guides handed out to all clubs present at the meeting. 2) "Be the Best Fan You Can Be" posters expanding on last year's district "Best Fans Ever" goal of No Coaching From the Sidelines will be provided to clubs shortly in electronic formats suitable for posting and for print/display at our district fields. 3) Tier 3 scheduling will be done over the next week. A couple of teams still uncertain, so U16/18G and Super8 boys will be scheduled last, to allow a few extra days for those teams to get sorted out.
