- 1) **2019-20 Season schedule** – review of dates, Jamboree hosts, Oct 6 programming for 11-aside. See Appendix 1 and 2.
- 2) **Team declarations for UISA league 2019-20** See Appendix 3 and 4. A couple of teams still uncertain, so U16/18G and Super8 boys will be scheduled last, to allow a few extra days for those teams to get sorted out.
- 3) **Continue use of game sheets for UISA Super8 division?**
Clubs chose last season to use game sheets for Super8 for the first time, do we want to continue. Club rep discussion – decision that we will continue for this season.
- 4) **Any other request/issues/topics for the 2019/20 season?** None raised.
- 5) **Upper Island TD workshop with Paul Varian Aug 18** – new ideas to move forward with. TDs had an excellent session with Paul V on Aug 18. Brief recap of session, and introduction of change of season idea brought forward by both discussion groups. **Next steps:** TDs to flesh out programming proposals around change of season to share with clubs.
- 6) **Tier 3 steering committee meeting schedule** – Heads up about a possible Nov meeting this year, if big rules changes come out of the BC Soccer AGM at the start of November.
