

The Empire Blue Cross Price Comparison

This tool is intended to provide participants access to the Plan's prices charged by the provider, contracted or negotiated rates, consumer cost-sharing obligations and other information. You can use this information before receiving care to compare prices and better estimate potential out-of-pocket costs. The link to the tool is:

<https://www.empireblue.com/find-care/>

To access the tool plan participants must enter their Empire ID.

You may receive this information on paper form, upon request. For more information, please contact the Fund Office or visit <https://www.cms.gov/healthplan-price-transparency/consumers>
