## Who We Are

NU Friendship Outreach, Inc (N.U.F.O.) is a private, nonprofit foundation dedicated to making a difference in the lives of youth and promoting growth and development in the communities that it serves. Its primary aim is to develop and sustain diverse partnerships within the Northern Delaware region to provide programming and support to youth; especially those who are disadvantaged.

N.U.F.O. grew out of the efforts of a small group of men working in the greater New Castle County Delaware vicinity to provide “aid to indigent families” in 2001. These men were members of various fraternal and social organizations all of which were dedicated to uplifting the community. The Foundation was incorporated in the state of Delaware in 2004 and is currently composed of more than 50 volunteers from various social organizations who continue to provide social action programs to the Northern Delaware Region.

From the bestselling author of Unconquerable Souls

**Bloodied But Unbowed**

A story of reunion reflection and redemption

I, Malcolm Xavier Butler, do solemnly swear, not to ever bring my simple ass back to this place again! Two days and counting until Fort Dix Federal Detention Center becomes a vision, decreasing in size, in the rear-view mirror of my memory! For the first time in almost two years, the reflection in my pod's aging stainless steel mirror beamed with excitement and anticipation. A few days ago, I had gotten word of my pending release and spent the past few days saying my goodbyes to those I had gotten to "know". In a place like this, the inherent lack of trust for further incrimination or potential retribution, loomed over the place like a dark and ominous cloud and you never really got to know anyone.

NU UPSILON CHAPTER OF OMEGA PSI PHI FRATERNITY, INC.  
 SOCIALLY ACTIVE, ENGAGED AND COMMITTED TO THE WORK

Nu Upsilon Chapter Coat

### Adopt-A-Highway Initiative

#### COMMUNITY SERVICE

Social Action continues to be a cornerstone of the work of the men of Nu Upsilon Chapter. Through hard work and commitment to make the community a better place in which to live, Nu Upsilon sets itself apart. Nu Upsilon participated in its annual Adopt-A-Highway initiative, where brothers of the chapter along with local supporters assisted in the effort. Although this year was challenging, when families, friends and brothers are still recovering from the burden of the pandemic, the decision to push forward has always been a Nu Upsilon trademark. The chapter continues to make an impact in the community, demonstrating pride and dedication to the cause. Consistency and Commitment is a theme of the Adopt-A-Highway initiative, ensuring clean and beautiful streets, neighborhoods, and cities across New Castle County, Delaware.

The Brothers of the Upsilon Chapter lined together and participate in the Adopt-A-Highway initiative. Nu Upsilon has signaled its commitment to keeping the community beautiful.

### Wilmington University Scholarship

#### FINANCIAL ASSISTANCE

Scholarships provide an opportunity for people to earn an education. Without assistance from an outside source, students may face challenges with completing a degree program. Scholarships also help students have more time to focus on their studies without the financial burden. Scholarship is one of the mandated programs of the Omega Psi Phi Fraternity, Incorporated. Education is a core value of what the fraternity was founded upon. Omega Psi Phi's founders believed in being educated at the highest levels of academia.

His impact on the community and the city of Wilmington, Delaware, as a whole, continues to leave a footprint and has blessed souls for the men of Nu Upsilon Chapter in a big way. It's only right that we continue the legacy of our founder and collaborate with Wilmington University to provide an education to deserving students in our community.

Financial assistance to student members and non-members is something that is very important to the chapter. Nu Upsilon will continue to promote academic excellence both at the graduate and undergraduate level.

The Men of Nu Upsilon Chapter in partnership with Wilmington University and Nu Upsilon Fraternity, Incorporated, presented Daniel Ade-Gwandi of Howard High School a fall scholarship to attend Wilmington University. Wilmington University has a graduate center named after one of our beloved founders, Brother Woodrow Wilson, DDS.

Servant Brother J. Miller, Nu Upsilon Fraternity Outreach Chair, Kevin Evans, Scholarship Chair, Kylan Hill present 4 Year Wilmington University Scholarship.

### Nu Upsilon Chapter share a special bond with Delta Sigma Theta

Omega Psi Phi Fraternity, Incorporated has a storied history with the women of Delta Sigma Theta Sorority, Incorporated. Nu Upsilon Chapter cherishes that history, and continues to cultivate a lasting relationship with the women of surrounding chapters in the 2<sup>nd</sup> District. DST has supported the annual chapter cookout for several years. The brothers of Nu Upsilon will continue to maintain a strong relationship. In addition, look for opportunities to expand to even greater heights.

## Fellowship

"Friendly association, especially with people who share one's interests."

*Friendship is essential to the soul...*

Saturday, September 10<sup>th</sup>, the brothers of Nu Upsilon Chapter held the Annual Chapter Cookout. The event was well received.

There was unity among brotherhood both seasoned, and young at heart. Fall 2021, 3 Rules of Engagement, (Stephen Grant, Malik Smith, Emanuel Black) chaired the event. Family, Friends, children, visiting brothers, and sisters were in attendance. A very proud moment in history, as Nu Upsilon looks to close out the year with fellowship, and celebration. With every passing year attendance increases and the bond of brotherhood reminds us all why we pledged the Omega Psi Phi Fraternity, Incorporated. Elder, Bro. Leroy Banks attended the chapter cookout. It's always a pleasure to see our brothers that can provide wisdom, knowledge and overall understanding of our history, and provide perspective on the proud men that came before us.

Proverbs 17:17 "A friend loves at all times, and a brother is born for adversity." This scripture is what we brothers live by.

The years may end, regimes may change, but Nu Upsilon's Chapter CookOwt will remain a consistent time where we collectively share, bond, build, and develop our lasting commitment to the chapter, our friends and neighbors. For additional information concerning Nu Upsilon Chapter, please visit our website: <http://www.nuupsilon.org>. More details concerning "The CookOwt" please visit <https://youtu.be/cv3NkmaXmXc>.

## NU UP NEWS

IN THIS ISSUE

### COURAGE BROTHER

"Do not stumble. Though thy path be dark as night, there's a STAR to guide the humble. Trust in GOD and see the light."

### STARS IN THE MAKING

Talent Hunt Chair, Dr. Carlton Lampton, and the Talent Hunt committee of Nu Upsilon Chapter, in association with Nu Upsilon Fraternity Outreach, Inc., left no stone unturned when it came to producing this year's Talent Hunt Competition. On Saturday, March 26, 2022, at William Penn High School, contestants presented their artistic talent in front of their families, friends, and of course, the judges. Contestants displayed confidence and demonstrated art in various forms. Instrumental Music, Dance, Voice, and Theatrical performances - were presented with passion. These young, talented student performers have an amazingly bright future, and the evidence was exhibited during this year's competitive presentations.

Ms. Gabriela Salvador-Riera, Nu Upsilon's 1<sup>st</sup> place winner of both the local and district-level Talent Hunt Competitions.

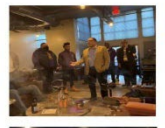

Sophia Hughes, 2<sup>nd</sup> place; Vanoye Holts, 2<sup>nd</sup> place and Gabriela, overall winner.

### DISTRICT SOLIDARITY

In preparation for the 7<sup>th</sup> Second District Conference, brothers campaigning for a district office met with brothers in Corridor II. The Nu Upsilon Chapter was well represented. Question and answer sessions were held in Middletown, Delaware, where our new District Representative, Delonte "Rico" Giles spoke about retaking the 2<sup>nd</sup> District.

Respect, Character, Strength and Brotherhood were key topics. The 2<sup>nd</sup> District needs to continue leading the pack. Basileus, Brandon Miller shared words, and received UPLIFT from Brother Giles.

### THE COMMITMENT

"This Journey is not for everyone"

WRITTEN BY: ANDRE J. WARD SR.

Don't give up. Be committed with your pursuit. You could either be hot or be cold, but never settle for being Lame.

This journey's not for everyone. Not for the faint at heart or the weak in mental. You must be willing to walk the path, you must be willing to be instrumental.

Don't perpetuate, or fake it hoping that you'll make it. Put some Realness behind them words, be active and embrace it.

I represent manhood. But I choose to be part of something bigger. I was born a king. There's nothing in my bloodstream that equals quitter.

They say that talk is cheap, strength is the opposite of weak and pain is part of the process.

I've stayed the course, I've persevered. I'm committed to Nu Upsilon's progress.

### Nu Upsilon celebrates the women in their lives with "You Deserve"

#### YOU DESERVE BRUNCH

You Deserve Brunch was held, Sunday, July 10, 2022 at the Wilmington Delaware Public Library. The brothers of Nu Upsilon took the time to share an expression of love and appreciation to their wives or significant others. These beautiful women deserve our time, affection, commitment, and love. You Deserve was an expression of all the above, in which the brothers will continue this tradition.
