

SATTLER FOUNDATION EXPLORATION CAMP

Sponsored by The Bill Sattler Memorial Foundation For Aerospace Education

JUNE 3-8, 2024

LEBANON AIRPORT

Hosting area high school students interested in flight careers

The Challenge...

Explore opportunities in the aerospace industry with tours of the Nashville Airport and MTSU's programs and labs. Conduct experiments and perform hands on airplane building techniques. Do flight planning and simulator flying. Here from experts in various fields of the aerospace industry. Take a flight with Young Eagles*.

Eligibility: Campers must be 10th, 11th, or 12th grade students during the 2024-25 school year. Ten students will be selected based on teacher recommendation and an essay written by the student. The essay topic should be on "What will the Aerospace Industry Look Like in Twenty Years?".

Application and fees: The Sattler Foundation Exploration Camp is free to selected students, however a fee of \$50 will be required to hold a student's place once selected to attend the camp. This fee will be returned at the completion of the camp.

Transportation and hours: Participants must provide their own transportation to and from the Lebanon Airport. This is a day camp. The hours of camp are from 8:00 AM until 4:00 PM Monday through Friday. Saturday's Young Eagle flight will begin at 9 AM.

I am ready to go. What do I do now?

Complete the accompanying Application

Secure the necessary recommendation from your teacher

Write your essay

Have your parent or guardian sign your application
