Praise God for His grace and mercy upon all of us as we continue our journey of faith in this earth. We are strengthened by His presence in our lives, by His perfect Word and the power of the Holy Spirit each day who leads us in our walk of life. We thank God for His divine protection and healing upon all of our bodies. We thank Him for another month which is the month that we celebrate and remember the birth of our Lord Jesus Christ. Each one of us has something to be grateful for each day but I just want to encourage you to keep the faith and continue to trust in God for we are safe in His hands. Don't give up the fight of faith. Paul said it perfectly 2 Tim 4:7, I have a fought a good fight, I have finished the race, and I have kept the faith. Have a blessed month of Dec.
