Praise God for another blessed month given unto us to rejoice and be glad in it. Another month to look forward to what God has called His church to do. Jesus said I did not come to do my will but the will of my Father in Heaven. I believe God has called His Church to do the impossible, things that does not make sense to the world God has called us to do it because our journey is a journey of faith and by faith and not by sight. We have the Word and the Holy Spirit to guide us and lead us as we journey along the way.
