Praise God for adding another brand New Month to our lives

and our journey of faith, we are blessed to be called the children of the Most High God, the Creator of Heaven and earth, and we are also privileged to call Him Abba, our Father! therefore we thank God for His grace and mercy each and every day of our lives as He continues to pour His love on us and guide us through the work of His Spirit in our lives. We should appreciate the opportunity that He has given to each and every one of us to serve Him, we are honored to serve our God and Father and we should be grateful for the opportunity to serve Him. This month is the month that we get to celebrate all the Fathers in the World but especially our Heavenly Father. Do something special for Fathers this Year. This is also the month of graduations of all the schools, so please Honor our graduates. High Schools and College/Univ, God Bless you all and have a blessed month of June.
