Praise God for another brand New Month added into our lives for us to continue to fulfil His purpose and call upon us as a body of believers. We should always be grateful and thankful to God for using all of us, and equipping all of us to do His will on earth and be the light, in such a time as this to this dark world. We are called as the Body of Christ and a Habitation of God in the Spirit to be His representative on earth to reflect and to display who He is into the World. Many do not know Him or have a relationship with Him but we are called to be His physical body on earth to proclaim His will and to shine His light to the world. Matthew 5:14-16 says that you are the light, if we are the light then let us shine in every opportunity that we have been given, so that people may see our good works and glorify our Father in Heaven. Keep your eyes on Jesus and keep moving and pressing forward. Have a blessed month of March.
