Praise God for His goodness and mercy upon our lives continuously. He has brought us from afar in our faith and moving us from glory to glory, faith to faith as we continue to pursue His will for our lives daily. God by His mercy has brought us from last month to this month and we are still growing stronger in Him by faith in His guiding Word. As we look at our world today; it reminds me the need for God in every home, every family, every individual every country and every realm of life. We have a part as a church for such a time as this; but first it begins with the Church, if we want the presence of God in our congregations and gatherings we must repent, humility is the key, we cannot pray genuinely if we are not humble, we cannot submit to God and His righteousness if we are not humble, we cannot forgive and love if we are not humble; we cannot turn from our wicked ways if there is no humility. We must deny ourselves, pick up our cross and follow and pursue Christ. Otherwise it's just routine; it's just a religious system. We need God back in our nation, we need God in our homes, we need God in our individual lives. We need to repent! Have a blessed month of May.
