Praise be to God for another brand new month that he is adding into our lives, and the opportunity through His grace that we get to serve and honor Him with our lives. The month of October is upon us and we as His children must rejoice and be glad in it, for we have another opportunity to draw off of Him and be strengthened to thank him daily not only with what he has blessed us to do, but to praise Him for His unfailing love. This month is Pastors month, remember the man and the woman that God has blessed your life with, to guide, counsel teach and help you as the Spirit of the Lord teaches them to do. Have a blessed month of October.
