

Laguna Woods

Men's Golf Club

May 2nd

Our Silver Seniors team concluded its 2024 season at an even six wins and six losses. Although it might not have been what Captain Kerry Wells hoped for, it had its merits with two away wins. And, with some new members to the squad trying their hand at match play for the first time, it might bode well for next year. They did end on a high note with a narrow 20 to 16 victory at home over El Niguel. So, if you think you can add your match play magic to the team for next season, give Captain Wells a call.

Two big events looms in our near future, the Memorial Tournament on May 18th and the Pro Am on May 23rd. Both events still have some room if you haven't signed up yet, and the Memorial can always use more donations for the auctions and the raffles. The event raised close to \$50,000 last year for our Neighbors Helping Neighbors theme. The format for the Memorial is a scramble, so you don't have to be an expert golfer to win. Considering who came in first last year, McDonald, Tagliaferri, Off and Thuney, anyone can take the title! But above all else, remember, it's all for fun and to raise some well needed dollars for those less fortunate in our community. Contact Shaun Tumpane for the Memorial and our PGA Pro, Tom McCray for the

Pro Am. Don't miss out!

Put em' out, please!
