OUR INDIAN LAKE COMMUNITY - has been hit hard and beaten up badly. A lot of people lost their homes, their precious possessions and some their lives. It has destroyed so much of our community that has been our home for years. We are very grateful for all the people who stepped up to help us in our time of need. It will take years and a lot of hard work to repair what was damaged. We have seen neighbors helping neighbors. People we don't know are offering to help repair and rebuild what we lost. We are doing our best to get through this and rebuild our community back to the way it was before the tornado struck our area. People showed up with clothing, food, money and help when we needed it most. Thank you to everyone who came to help us from other states and across the country. God bless you for your kindness. We are so thankful for our lake and our people who are coming through this stronger than they were before. Hope is the answer and love is the only thing some of us have left to give. We will come back better than ever. GOD is our master healer, master builder, master weaver. Put your trust in him and he will see us through this. WHERE THERE IS A WILL THERE IS A WAY FOR ALL OF US.
