Mrs. Anne "Hard Working, Dedicated, Sincere, Supportive,  
Fun Loving, Energetic, Caring" Lassey

Our Mrs. Lassey has middle names that could go on endlessly! We've had the privileged experience of Mrs. Lassey serving our school this 1989-1990 school year. Many proven activities have continued to flourish under her leadership, and many new activities have been implemented. We thank Mrs. Lassey for the positive, inviting and professional tone she has nurtured and maintained at Pleasant Valley. Our students and teachers have blossomed under her direction and we all have meaningful experiences to carry with us.

**INTRODUCING MRS. CAROLYN CAIN** - a new face and a new personality to our Pleasant Valley family! But she quickly fit right in making our pint sized office space flourish with efficiency. Mrs. Cain is proficient in all the routine office duties such as typing, filing, telephoning, counting heads, counting money, and answering endless and repetitive questions from students, teachers and parents. But have you ever seen her taking temperatures -- three at one time -- while doing these very office routines?! She's a worker with a caring heart, a soft voice, a mild manner, and the Pleasant Valley spirit! We're glad you're our #1 Secretary, Mrs. Cain!
