

Avallon

US Government Compliance Advisors & Compliance Concierge™ 2025-2026 Rates

Key Value Points

✓ **Dedicated Contracts & Grants Manager (Account Manager)**

Your organization is paired with a dedicated manager who understands your portfolio and priorities. If the match is not the right fit, Avallon will seamlessly replace your Account Manager at no additional cost.

✓ **Direct Access to Avallon's Bench of Experts**

Through your Account Manager, you gain on-demand access to Avallon's specialists in **terminations, disputes, audits, compliance, and donor regulations**—without the cost of building a full in-house team.

✓ **Proprietary Templates, Tools, and Institutional Knowledge**

Leverage Avallon's curated library of **policy templates, compliance guides, checklists, and databases**—developed from decades of experience supporting US Government and International Organization programs worldwide.

✓ **Predictable, Cost-Effective Pricing**

Our subscription model eliminates unpredictable billing spikes and provides **scalable support** that grows with your needs—whether you require short-term coverage or long-term embedded expertise.

✓ **Continuity & Risk Reduction**

By outsourcing compliance functions, you reduce dependency on a single staff member, ensuring continuity during turnover, leave, or emergencies.

✓ **Strategic Partnership, Not Just Staffing**

Avallon advisors don't just process paperwork—they help you anticipate risks, prepare for audits, and strengthen systems to meet evolving donor requirements.

All services are billed in 1/4-hour increments unless otherwise noted.

Annual “Use-or-Lose” Block of Hours
