

# Yogeshwar Lives in My Heart

Yogeshwar lives in my heart, in my heart, in my heart  
Yogeshwar lives in my heart, hence I'm sweet and smart.

Ruchi

I don't know who wakes me up, wakes me up, wakes me up  
I don't know who wakes me up, gives back all memories.

I don't know who digests food, digests food, digests food  
I don't know who digests food, Pizza and Burrito.

I don't know what is sleep, what is sleep, what is sleep  
I don't know what is sleep, what is sleep and dream.

I don't know who drives my cart, drives my cart, drives my cart  
I don't know who drives my cart, where to start and stop.

Ruchi

Yogeshwar lives in my heart, in my heart, in my heart

Now I know God wakes me up, wakes me up, wakes me up  
Now I know God wakes me up, brings back all memories.

Now I know God digests food, digests food, digests food  
Now I know God digests food, makes blood and gives energy.

Ruchi

Now I know God gives me to sleep, gives me sleep, gives me sleep  
Now I know God gives me sleep, gives me rest and peace.

Now I know God drives my cart, drives my cart, drives my cart
