Question and Answer

Application must be completed and returned on Friday, May 10, 2024 to [fuken.productions@gmail.com](mailto:fuken productions@gmail.com)

Mother of Montrose Requirements and Agreement

Produce and host a minimum of three benefits for any local 501c3 organization within the Houston GLBT+ community at Michael's Outpost and raising a minimum of \$250.00 at each event. Additional fundraising may continue at any venue once the above obligation is completed.

Attend local benefits and events as Mother of Montrose.

Attend the other First Family of Montrose contests and try to support those winners in their endeavors.

Represent the title of Mother of Montrose in a positive manner at all times.

I understand that the title Mother of Montrose can be removed by the owners of the title in the event of misconduct and that all prizes won (crown, sash, and possible patch) returned to the owners within two weeks.

I understand that all prizes (crown, sash, and patch) remain the property of the owners until I have completed the above requirements and I have completed my reign the following year. I understand that the traditional Mother of Montrose sash must be turned in at the end of your reign so it may be passed on.

I agree that I will not compete for any other community title while completing the year as Mother of Montrose 2024 without the permission of the title owners.

I agree that no funds from any show will be used for producing an event and that a representative from the charity of choice will be on hand to collect all the events proceeds.

This title is owned by Falcon Fuhr-Kenyon and Scott Fuhr-Kenyon and is produced by their production company, FuKen Productions.

We adhere to Olympic style of scoring and the highest and lowest scores in each category is eliminated, in the event of a tie, the owners will review the overall scores and talent portion to determine a winner with their decision being final and uncontested. A sole contestant must win by achieving 75% of the final score. All categories are scored at 100%
