Session Packages & Pricing

Happy Hour - *Satisfaction Guarantee*

VPS will perform your event, or session at no cost, with a cost per image. First digital image file starts at $75. Each additional digital image file is billed at our standard fee of $25/image. Prints and fames are extra and based on requested type and size. Our satisfaction guarantee, known as our "Happy Hour Session", is limited to one (1), one-hour session, within a 40km radius from VPS's office, after which travel expenses are considered billable, as per our terms and conditions, and standard rates. Requests for re-takes will be by the hour at our standard labour rate.

Pay Per Hour

Our current standard labour rate is $70/hour. + applicable travel expenses (see travel expenses below). Images from this session are $25/image. Prints, and other options are extra.

Flat Rate

Best for large events, exceeding 3 hours, and or sessions that incur travel expenses. Contact us today for your free no obligation quotation.

Travel Expenses

- Travel - $0.48/kilometer (Applicable after 40KM in one direction from Vistan Studio office
- Accommodations - (cost + 10%). Applicable when more than 500km in one direction from Vistan's Studio office, or 300KM in one direction, and the session exceeds four (4) hours in duration.
- Meals - $50/day. Applicable for each night accommodations are incurred
- Flights - Cost + 10%. (Applicable when travel distance exceeds 1,000KM in one direction, and or if required to meet client schedule(s)

Image Pricing

All images are post processed using Adobe Lightroom CC, for enhanced exposure, and overall visual appearance, at the liking and discretion of Vistan photography. Vistan will make every effort to fulfil any post processing requests. Vistan does not correct any permanent skin blemishes, unless requested by the client. Any post processing requests that are requested prior to the original post processing procedure will be completed free of charge, providing the process does not exceed 15 minutes to complete.

- Image - standard post processing in the highest possible resolution of a JPG format (other file formats are available upon request) = $25/image
- Post processing - Additional post-processing is available at a rate of $70/ hr. Prorated by the minute. (min. 15 minutes).
- Copyright - Image copyright stays with Vistan. If you require copyrights to any given Vistan image you must purchase said copyright for an additional fee of $100/image. Copyright is not required for printing or to share your image(s) on social media with friends and family. It is required for commercial advertising use.
- RAW file - $200/ file. If you are unsure what this is, then chances are you do not have a requirement to purchase them.
- Replacement copies of images - If you happen to lose any of your purchased files. Copies can be purchased for $2/image (copies of images will only be available for 1 year from the date at which they were captured)

Print Pricing

All images from Vistan are printed in full resolution by a reputable and professional print lab, and profile matched by Vistan for color accuracy.
