## Message From the President

The ice on the lake is melting, which means summer at Wrighter Lake is right around the corner...Welcome to Season 2024!

The Wrighter Lake Board of Directors has been hard at work, meeting monthly to plan out a wonderful summer for our community. With that in mind, we have lots to share with you, so we're officially launching the Wrighter Lake Association Newsletter!

The first edition will focus on the 2024 calendar of events, the search for volunteers, and dues. Future issues will cover lake water quality, weeds, and how we can all work together to keep our water clean and enjoyable among other things.

We want you involved, so take a moment to learn more about what's going on around the lake. Let us know if there are any topics you'd like featured in upcoming issues.

Looking forward to an exciting 2024 season with all of you!

*~ Mackenzie DiVite*

## Annual Dues

Please support the association by paying your **annual dues of \$295 before Memorial Day**. Your annual dues are the sole source of funds for Wrighter Lake Association, which joins us together as fellow lake stewards and works hard to protect the lake for residents to enjoy.

Your dues support important services including:

- Road Maintenance
- Community Celebrations including Wrighter Lake Day
- Enhancing the water quality and fishery

For further information on how collected dues are spent, please visit the Wrighter Lake Association website for details, including financial reporting for the past two years as well as the 2024 budget. Contact any board member with questions and concerns. Simply click the website's "Contact Us" tab.

Pay dues to Tim Ellis by check made out to "Wrighter Lake Association" with "2024 dues" in the memo section and send to:

Tim Ellis  
8 Nicolas Street  
Pemberton, NJ 08068

Or visit the Wrighter Lake Association website for Venmo, Paypal and Zelle payment options.

## We Are Looking for a New Webmaster (and Other Volunteers)

After many years of graciously and patiently updating our website, email blasts and communications, Meta Keating is transitioning to other activities. We are so grateful to Meta for her service to the Wrighter Lake Community.

If you are interested in taking over our website management, please contact Mackenzie DiVite at (609) 330-1310 or [mackenzie.divite@gmail.com](mailto:mackenzie.divite@gmail.com) (Meta offered to train a volunteer, or a pair of volunteers.)

In addition to web management, we need all kinds of volunteers. Whether you would like to join the Wrighter Lake Board of Directors, make cookies for Wrighter Lake Day, or fill potholes on our roads, we need you. Please click the "Contact Us" tab on the website if you are interested in volunteering. We are always eager to accept a helping hand. On behalf of the 108 property owners around Wrighter Lake, we thank you!
