

STRATEGIC TRAINING CONCEPTS

COMPANY OVERVIEW

Our team is fully equipped to address all aspects of safety and security, offering a comprehensive range of services tailored to meet your specific needs. Whether it's ensuring a safe school climate, providing First Aid or CPR services, implementing physical security measures, utilizing CPTED principles, or developing effective emergency planning and operations, we have you covered with our all-encompassing solutions.

We are a certified small business. Our staff is made up of prior law enforcement professionals and veterans. Our company exceeds others as we can be a sole source for assessment, planning, training and all deliverables.

PAST PERFORMANCE

We have performed on several state and federal contracts. The staff has years of experience in the field as well as with contracting.

CORE COMPETENCIES

- Subject Matter Experts in safety, security, training, and law enforcement
- Principal staff has years of federal contract experience, including managing and training of guard force for the Department of Defense
- One stop shop vendor for all safety and security needs. Serving both public and private schools, organizations, and businesses
- Staff consists of law enforcement professionals and veterans
- Complete safety and security assessments, operating procedure reviews, safety equipment, training, planning and continuity of operations
- Train the trainer and able to certify in First Aid/CPR/AED/Stop the Bleed/Trauma

DIFFERENTIATION

One-Stop Experience:

At Strategic Training Concepts, LLC, we take pride in being a one-stop shop vendor for all safety and security needs. Unlike other providers, we offer a comprehensive range of services catering to both public and private schools, organizations, and businesses. From safety assessments and operating procedure reviews to safety equipment, training, planning, and continuity of operations, we have the expertise and resources to deliver all related deliverables seamlessly. This integrated approach ensures a streamlined process and consistent quality across all aspects of safety and security.

Expert Staff:

Our team consists of highly skilled and dedicated professionals, including law enforcement experts and veterans. Their extensive experience in safety, security, training, and law enforcement sets us apart from the competition. We understand the unique challenges and requirements of various industries and leverage our subject matter expertise to provide tailored solutions.

Federal Contract Experience:

Our principal staff brings years of valuable federal contract experience to the table. Notably, we have successfully managed and trained guard forces for the Department of Defense, demonstrating our ability to handle large-scale projects with the utmost professionalism and efficiency.
