## **GTACC/Horny Toad H-D show, October 8**

This was, I believe, the 6<sup>th</sup> year we've held this show in partnership with Horny Toad Harley Davidson. Horny Toad H-D has changed ownership earlier this year and attendance was down from 86 in 2021 to 51 cars this year. However, the club collected a considerable amount from registrations and 50/50 sales. A final financial report for this event will be presented at our November meeting.

Thanks to all members that stepped up to assist in putting this on.

**Show winners:** Best Engine: Murphy Talley, 1941 Willys; Best Interior: Jimmy Eixman, 1965 Chevy Truck; Best Exterior: Mark Hulan(member) 1956 Chevy Bel Air; HTHD staff pick: Patrick Martin, 1933 Ford; Best of Show: Hunter Wilsey, 1923 Ford T-Bucket.
