## **RANCH HORSE CLASSES**

### **Ranch Halter**

To be shown in a leather halter and a lead with or without a chain. SILVER SHOW HALTERS are discouraged. All entries will be judged at a walk, trot and/or extended trot at the judge's discretion. Entries will line up at the judge's direction. To be judged 60% on correctness, balance, and conformation suitable for a working ranch- type horse and 40% on manners and disposition.

### **Ranch Rail Pleasure**

The Ranch Horse Rail Pleasure Class measures the ability of the horse to be a pleasure to ride, while being used as a means of conveyance from one ranch task to another. The horse should be well-broke, relaxed, quiet, soft, and cadenced at all gaits. Horses are ridden on a relatively loose rein with light contact and without requiring undue restraint. Horse should be responsive to rider & make timely transitions smoothly and correctly; should be soft in the bridle and yield to rider contact. The ideal stock horse should have a natural, level-headed carriage at each gait. Gaits may include ordinary walk, extended walk, trot, extended trot, lope, extended lope and stop (from the trot and/or lope or both). When asked for an extended gait, the ranch horse shall show a lengthening of stride with the same cadence that will cause an increase in speed. **NO MORE THAN SIX (6) HORSES ON THE RAIL AT THE EXTENDED LOPE.** All horses will be asked to back separately.

### **Ranch Riding**

The purpose of the Ranch Riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to the next. The horse should reflect versatility, attitude, and movement of a working ranch horse outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft, and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate obvious lengthening of stride at extended gaits. The horse is to be ridden with light contact, or on a relatively loose rein, without requiring undue restraint, but not a full drape of reins. Overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement, are primary. Horse should have a natural head carriage at each gait.

### **Ranch Trail**

The Ranch Trail Class, as the name implies, tests the horse's ability to cope with situations encountered in everyday riding. The horse is ridden through a pattern of obstacles which should nearly approximate those found during everyday work. The horse/rider team is judged on the correctness, efficiency, and pattern accuracy with which the obstacles are negotiated, and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well-broke, responsive, well-mannered horse which can correctly navigate and negotiate the course. Obstacles may include but not be limited to walk-, trot- or lope-overs; opening, passing through and closing a gate; riding over wooden bridge; backing and side-passing obstacles; step in and out of obstacles, etc. Obstacles should not be of the type to trap the horse/ rider team or eliminate it by making it too difficult.

### **Ranch Equipment**

Horses shall be shown in a western stock saddle. Silver equipment is discouraged, but will not count over good, clean working equipment. Horses, regardless of their age, may be ridden in an AQHA-approved curb or snaffle bit, or bosal. Split reins or romal reins shall be used with all curb bits; mecate shall be used with a bosal. Riders riding with an AQHA-approved curb bit shall use one hand on the reins with either one finger or no fingers between the reins and the excess rein on one side of

the horse (left-handed on left side, right-handed on right side; exception are romal reins). When riding two-handed in a snaffle bit or bosal, reins shall be bridged as described in the AQHA equipment rules. Curb straps or curb chains are required for curb bits, must measure at least ½ inch in width and must lie flat against the horse's chin. Curb straps are required with snaffle bits. No wire curbs are permitted regardless of the amount of padding or tape.

**Prohibited Equipment:** Tiedowns, cavessons, gag bits, twisted-wire mouth pieces, side-pulls, mechanical hackamores, running martingales, training forks, and protective legwear (leg wraps, splint boots, bell boots, etc.) are prohibited.

### **Ranch Attire**

Neat, clean western hat or protective head gear (helmet for exhibitors 17 years of age and under is mandatory), western long-sleeved button-down or snapped shirts, jeans, and Western boots, including lace-up ropers, shall be worn. All other footwear is prohibited. The use of spurs and chinks/chaps are optional.

6. Pre-entries will be accepted online at [Horseshowing.com](http://Horseshowing.com) (preferred), by phone or e-mail until 9:00 PM the Thursday before the show. All other forms of entry, such as mail, are the responsibility of the entrant and must be received by the Thursday deadline. When a horse show extends the courtesy of taking an advanced entry(ies) over the phone, it is with the understanding that said entry(ies) will be paid and credit is extended on these terms. No exhibitor will be permitted to perform without payment of fees. **PLEASE NOTE: If a pre-entry is not canceled at least 24 hours prior to the show, all entry fees will be due even though the exhibitor did not show. Non-payment may result in an exhibitor's inability to show in any succeeding show until all fees are paid.**
7. All pre-entry and post-entry forms must be completed in their entirety. Any entry form which is NOT complete will be rejected, and post-entry fees may be due if not submitted prior to 9:00 pm the Thursday prior to the show.

8. A signature on the entry form and/or release is required for all riders, including those of a parent or guardian for exhibitors 17 years of age or under. If a release is not signed either on the membership form or provided release form, the exhibitor will not be permitted to ride in the show.

11. No refunds of entry fees will be issued for a horse that becomes lame or injured unless a licensed veterinarian's diagnosis of the horse's unsoundness is conducted and a letter from the veterinarian is submitted to the show committee within five (5) days of the show. If your horse is unable to perform and there is a valid veterinary note, you will be allowed to substitute another horse under the same number and will be eligible for EOY awards. You may revert to your original horse if he/she becomes fit or continue with the second horse, but there may be no other changes. There will be no refunds offered beyond **five** days of the show date. **NOTE: There may be no substitution of horse for any Halter class(es) as these classes are judged on the horse.**
12. All participants and spectators enter the premises and ride at their own risk. IHA and Suffolk County Department of Parks disclaim any liability for any accident or occurrence no matter what the cause.
13. Due to the nature of stallions in close proximity to other horses, absolutely no stallions will be permitted in competition or on the show grounds during any IHA function, event or show to ensure the safety and welfare of our exhibitors and spectators.
14. Management reserves the right to cancel, combine, or divide any class. Classes with less than three riders may be combined with a corresponding class. Classes with less than three (3) riders may be held, but no points will be awarded for that class. If cancelled, money will be refunded by mail or credited to another show date.
15. All class entries will be closed when the preceding class enters the show ring. A two-minute rule to enter the ring will be strictly enforced. **\*\*\*It is the rider's responsibility to be ready for his/her class\*\*\***
16. **ANYONE COACHING AN EXHIBITOR FROM THE RAIL OR WITHIN HEARING DISTANCE OF THE EXHIBITOR ONCE THE CLASS IS BEING JUDGED IS PROHIBITED and may result in the exhibitor being excused from the class or not being placed. No entry fees in this instance will be returned. This rule will be strictly enforced throughout the duration of the show.**

Riders must ride one-handed with any shank or curb bit with either one or no fingers between the reins and with the excess rein on one side of the horse (left-handed on left side, right-handed on right side; exception are romal reins) unless otherwise noted in the division/class description. When a curb bit is used, a curb strap or curb chain is required, and

must meet the approval of the judge, be at least one-half (1/2") inch in width and lie flat against the jaw of the horse. Curb chains cannot be tied to the bit with string or cord. A broken strap or chain is not necessarily a cause for disqualification.
