### ABOUT THE INSTITUTE

The Institute of Corporate and Public Sector Professionals (ICPSP) of Nigeria is a nonprofit membership and research organization for Corporate and Public Sector Professionals. The ICPSP is dedicated to supporting professionals whose daily effort impact people's lives in ways that are felt far beyond the workplace; by helping to create better managers and leaders, we are creating a better society.

ICPSP vision is 'Corporate & Public Sector Professionals **everywhere are the best they can be**' - you can read our full vision and mission statement [here](#)

### ICPSP-A professional membership institute

ICPSP is the only professional membership institute for corporate and public sector professionals in Nigeria. It represents its members, lead research initiatives, and promotes activities of professionals' membership.

Given the broader scope of membership, ICPSP has members all over Nigeria working for leading private, public, and third-sector employers. Our membership criteria ensure that members can demonstrate their professional standing.

## **ABOUT THE ICPSP 2020 NATIONAL CONFERENCE**

The Institute of Corporate & Public Sector Professionals is pleased to invite you to attend the National Conference scheduled to be hosted by Proshare-Web-TV Nigeria on 8<sup>th</sup> August 2020 from 11 am - 2.00 pm.

Through these Conference, ICPSP offers a platform for presentations, discussions and interactions with local and international scholars. Majority of our events presents the opportunity to disseminate research contribution to local and international research communities.

At ICPSP, we recognize that we can be a powerful driver of change. Our members are experts who are passionate about nation-building. Occasionally, therefore; we bring together students, faculty, staff, and other stakeholders to exchange ideas about themes that are relevant to the current states of the Nation. We propel the discussions to create real, collaborative solutions to seeming challenges.

The overall theme of the this 2020 ICPSP National conference has been designed to appeal particularly to students, professionals in private and public sectors (at all levels of their career development) and other stakeholders. Primarily, our conferences are aimed at capacity building and development of participants, including emerging researchers whose interest aligned with Nation-building agenda; current and emerging issues.
