THIS IS A REPRODUCTION OF AN AIR STAFF OUTGOING MESSAGE

TO : FAAA (MAIN), 38 GROUP, 46 GROUP
 FROM : AIR STAFF SHAEF FORWARD
 REF NO : AC.999 T00252050B

Available information indicates that an urgent need exists to deliver medical supplies to certain P.O.W. camps in Germany. Suggestion has been made that aircraft so employed be given Red Cross markings for day employment and that the German Government be informed of the intended use of these airplanes and requested to take suitable action to prevent firing upon these airplanes. Your comments and recommendations are desired upon the practicability of so marking.
