

# The Stonington Market

## 2024 Guest Vendor Application

### Deadline: Limited spaces open until filled

Guest vendor spaces are subject to availability, and selection is subject to approval by the Market Steering Committee. Peak season dates are in high demand and preference is given to fulltime members, then guests whose products compliment, or provide something unique, to current offerings. Please remember we are an outdoor market and operate rain or shine, and in the event of inclement weather make-up dates may not be available. All setups should be appropriate for outdoor use, and tents should have adequate weights for possible strong winds. Guest vendors should provide copies of all necessary state licenses and business liability insurance certificates when submitting their application.
