SPOTLIGHT ON:

Larry Underwood
Extraordinary Horseman

This man is *Larry Underwood*. He came to support the Central New England Equine Rescue Benefit Show by himself with his purebred Morgan. He is in his 80's, trailered, showed and drove home with a smile!

THREE red ribbons today.

We so appreciate you being here, Larry.

He has been supporting the Barre Horse Show Series for 66 years!

KUDOS Larry, you are an inspiration

to us all.

Picture taken by Denise Kellicker at the CNEER Show last year with his colt Xcellence. (They are reading the trail course class together). Great pic Denise.

PALMER MOTORSPORTS MUSTANGS ON THE MOUNTAIN

On October 29th (rain date) we attended the Mustangs on the Mountain at Palmer Motorsports in Palmer, MA. It was an overcast day with a light rain. The hosts were more than hospitable and set us up under a great dry pavilion. Despite the weather, the atmosphere was upbeat and exciting. Roxann, Lynne, Jerry and Mark set up tables and we proudly displayed our shirts. We love getting our mission out to the public in any weather. We had folks that purchased shirts to match the

colors of their Mustangs. The cars were polished and you couldn't see a speck of dust on any.

Thank you **Palmer Motorsports** for your invitation to get the word out about the *original Horse Power* that need a helping hand.

Hay Season

These months are filled with getting the hay in for the cold winter months ahead. Days start with phone calls to set the date for pick up, then borrowing a trailer to load up the hay and then phone calls to help with the hay going up into the loft and the stacking of the hay. This takes place about 8 to 10 times before the loft is filled! A job not for the faint of hear. We are lucky to know a great hay supplier who does his best to keep us going, Gus Hansen and his family. So grateful to those that offer to help as the 35 and 40 lb bales of hay seem heavier and heavier with each passing season!

Without your help we could not keep the herd fed and warm. So once again a huge THANK YOU for all the sweat and hard work and willingness to make the difference.

Strong men and such a huge help. We are so very grateful.

HARDICK CO-OP MEET & GREET

It was a wonderful day at the Hardwick Co-op Meet & Greet. A bit drizzly as the whole Fall season seemed to be but what a fun day. Folks were thrilled to meet Little Jack and Thunder and they were just as happy to meet young and old and everyone in between. Thank you Steve and your wonderful staff for inviting us to participate.

PET ROCK FESTIVAL

We were represented at the Pet Rock Festival by our volunteers: Christie Lee, Laurie Drazyk and our president Betsy Johnson. To say it rained is an understatement to the empth degree! Despite the rain there were smiles and laughter. Thank you to those who braved the weather once again to attend and show support for the horses in our care!. Storm Troopers!

Our Benefit Horse Show

Success!

Our Horse Show was well attended and once again good sportsmanship and comradery. The chefs were busy all day and a huge thank to: Mark, Roxann, Penny, Sheryl and the rest of the staff in detail and their esprit de corps at the food booth. Our judges for the day did a great job and the award booth did a stellar job making sure all points were awarded correctly. Thank you to everyone who made it possible.

"Deux Amis" performing their upbeat and wonderful music filling the air with light heartedness.

Huge thank you to all who attended, participated and volunteered for this day. We all sighed a breath of relief when the weather co- operated. A special thank you to our chefs and to Lauren Pomponio who brought the fun from Boston with her. The raffles were awesome this year. There were smiles everywhere on the farm from the talented Kae and Hannah face painting to the pumpkin decorating to the pony rides and the mounted police walking their horses on the grounds, wagon rides by Leah Concetta and a thank you to *Ware H.S. students* for their help parking cars, to *Hardwick Crossing* for the use of their golf carts and to Marty and Alex for spearheading the parking.

Field of Dreams Opens its Doors

A very important part of our community is networking with reputable organizations. **Field of Dreams** is one such organization. Always there for those that need a helping hand to care for their horses. We are grateful to their founders and their commitment for making the world a better place emotionally, spiritually and financially.

Even though they have just officially opened their doors this year., their founders have been there helping others in any way they can for many years. Recently, we were able to attend their ribbon cutting and it was a gala event. Friends, family and community were there to celebrate this dream come true for Laurie Drazek. Minis, Thunder and Little Jack joined in the festivities too. We see miracles happen and dreams come true. It is uplifting to see the positive gifts that appear when good intentions, good people and great acts take place before your eyes. WE all need the aura that surrounds horses when they are allowed to thrive and be our companions.

It takes quiet time spent with horses to see the good that can be in this world and maybe a dream come true now and then.
