Agriculture Lifts

Don't give up on your ability to work on the farm. Ag lifts enable you to get in and out of your equipment with ease. Select either a powered platform or pilot lift for small to large tractors, combines that can be used with other off-road equipment. Includes radio remote controls.

Ag Platform Lift

The lift is powder coated and will hold up to the roughest agricultural environment.

- Lift capacity: 400 lbs.
- Includes extra hand holds
- Seat rest available as an add-on option

Ag Pilot Lift

Transfer from a wheelchair to the seat on the lift and powered lift moves to the operator seat on the equipment. Pilot lift and hand controls mount on to the equipment.

- Lift capacity 350 lbs.
- Includes hand controls for tractors

Running Board Lifts

Get back in the driver's seat with ease with a carefully designed running board lift. Fully powered, 12V, frame mounted lift compatible with most full-size trucks, vans and SUVs. Operates on one door only. We can use existing running boards except Nerf or tube-type running boards.

- Electric - Lift capacity: 350 lbs.
- Hydraulic - Lift capacity: 500 lbs.
- 18 inches of travel

Options:

- Removable post transfer seat
- Westin running boards

RV Platform Lifts

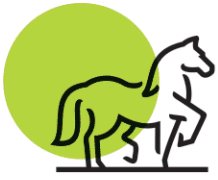

Traveling, camping, road trips and more are all possible with the right equipment. Get a powered platform lift for RVs, travel trailers and Class C motor homes. The platform lifts off and stows in a compartment.

- Lift capacity: 350 lbs.
- 36 inches or 48 inches of travel

Options:

- Radio remote control
- Fold-down seat
- Extra hand holds
- Swing under platform

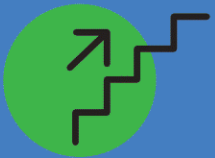

Equestrian Lifts

Love horseback riding? Now you can continue riding with an equestrian lift. Great for therapeutic riders. Select from either a swing lift or post/beam mounted lift with full-powered or manual operation of arms.

- Lift capacity: 350 lbs.

Option:

- Radio remote control

Portable Lifts

Need a lift in different locations? Well, look no further. Get a fully powered portable lift mounted on a single axel trailer. The mast folds down for transporting. Includes radio remote control operation.

- Lift capacity: 350 lbs.
- Maximum lift: 7.5 ft (at passenger feet)
- Maximum reach: 6 ft from rear of trailer

Flatbed Truck Lifts

Fully powered, flatbed mounted pilot lift for most $\frac{3}{4}$ ton or larger trucks. The lift transfers from driver's seat to the seat on the lift. Includes a stabilizer leg to keep truck level and reduces movement.

The lift can reach the seats of tractors, combines, semi-trucks, excavators, and most large equipment.

- Lift capacity: 350 lbs.
- 2 ft max height (bottom of seat)
- 14 ft max reach

Bed options:

- Eby aluminum bed
- Moritz aluminum or steel bed

Other options:

- Mount for picking up wheel chairs
- Sling adapter (Good for getting into skid steers)
- Swing under platform

Journeyman Scooter

Increase your abilities at work with this dual-purpose scooter and lift. Travel to wherever you need on the work site with this three-wheeled scooter.

- Heavy-duty work chair
- 8 inch seat lift
- Water resistant
- Tiller steer
- Common tire replacement (from local stores)

Additional Products

- Action Trackchair, Indiana For hunting, fishing, outside work and other outdoor activities
- OMG, LLC - Outdoor Mobility Gear
- Pride Mobility - Power chairs and equipment
- Harmar - Lifts for homes and autos
- Access Unlimited Products - Mobility products

Here's what our customers have to say...

“ I wanted to put in writing what a life-changing difference your truck lift made in my husband's life. Forced to retire from farming because of his disability, Alan despaired of ever being able to help farm again in any way. Your lift made not only combining possible but also working ground in the tractor, mowing family yards. It gave him part of his life back. He was thrilled at his ability to work again. I can't think of a nicer thing for anyone who has lost hope, a sense of identity and value. I thank God and I thank you for your company, your service, and the joy Alan received from working our family farm again.”

- Vicki K.

“ They do an awesome job putting people back to work that thought they would never be able to again. Best family ever. Come in as a stranger and leave as a family member. God Bless them.”

- Laurie M.

“ Great company to work with. Life Essentials are great people, and will do what it takes to get the job done! I'm one step closer to where I want to be this fall and that is back in the seat of the combine. Thank you, Life Essentials!”

- Jeff & Kristi A.

LifeLyfts™ Changes Lives

LifeLyfts from Life Essentials helps mobility impaired individuals gain independence in life for work and recreation. We began manufacturing a lift specifically designed for agricultural equipment. Over 35 years, our custom-designed lifts have evolved and our product line expanded to provide safe, dependable and quality-built mobility solutions for the mobility impaired individual and his/her family. We are manufactured in the USA. However, we have touched the lives of people in Australia, Canada, England, India, South America and Sweden. Wherever you are, our team is here to help.

Our goal is to help you take back your ability to move freely and be self-reliant, enjoy the outdoors, and accommodate your ability to work.
