What is K2D ?

K2D-The House of Corporates, a multi- disciplinary organisation providing business, legal and financial advisory services to Indian and multinational corporates. We have developed strong expertise in associating with clients across industries and our services are customized to their requirements.

We are passionate about entrepreneurs, their ideas and business execution strategies. Many times we were called to complement them in fine tuning the business ideas, evaluate the execution strategies and successfully win over the tide of complexities.

Our strength to partner with them is our people, from whom we derive whole lot of energy and enthusiasm. This could be creating a legal entity, sourcing the right capital, defining an execution strategy or all of them. Our talent pool, trained in legal, finance, disciplines will be at the disposal for serving you irrespective of your industry, market, size or scale.

We strongly believe the principal that **“The Purpose of our work is to make life better for people”** which is managed by, highly qualified, experienced and dynamic professionals from the fields of Finance, Law, and Business Administration such as Chartered Accountants, Lawyers, Company Secretaries and MBAs etc. It also defines our goals with regard to our customers, associates and the industry as a whole. We continuously strive to be synonymous with excellence in service delivery, continuously innovating and sharing knowledge and best practices across the enterprise.
